

CORPORATE BACKGROUND

Patterson Companies, Inc. (Nasdaq: PDCO) is a value-added distributor focused on providing a best-in-class customer experience to professionals in the dental and animal health markets.

Patterson operates through its two market-leading business units, Patterson Dental and Patterson Animal Health, offering similar products and services to different customer bases.

DENTAL

Patterson's Dental segment provides a virtually complete range of consumable dental products, equipment and software, turnkey digital solutions and value-added services to dentists and dental laboratories throughout North America.

ANIMAL HEALTH

Patterson's Animal Health segment is a leading distributor of products, services and technologies to both the production and companion animal health markets in North America and the U.K.

MISSION

To be the market leading dental and animal health company supplying technology, marketing, support and logistics to maximize customer success.

VISION

We connect expertise to inspired ideas, products and services to create a relevant, memorable difference in the lives of our clients and their customers.

CHARITABLE GIVING

A keystone of Patterson's culture is the commitment to giving back to our communities. We provide support to charitable organizations and individuals through corporate giving and the Patterson Foundation with a focus on three pillars of giving: Access, Education and Community.

PATTERSON FOUNDATION

The Patterson Foundation is a private foundation funded almost entirely by current and former Patterson employees. Its mission is to positively impact lives through higher education scholarships for the dependents of Patterson employees and grants to nonprofit organizations in the oral and animal health fields.
