

FOR IMMEDIATE RELEASE

**PATTERSON LOGISTICS SERVICES INC.
ANNOUNCES DISTRIBUTION CENTER EXPANSION**

Patterson Logistics Services, Inc. (PLSI) recently announced the completion of its Southeast Distribution Center expansion project in Jacksonville, Fla.

The expanded facility features over 140,000 square feet and stocks over 75,000 products to enhance service and support to customers served by Patterson Companies businesses in the dental, veterinary and rehabilitation supply industries.

“At Patterson, we are committed to exceeding our customer’s expectations,” said Mark Aldridge, Vice President, Logistics/Supply Chain. “Our newly expanded distribution center in Jacksonville does just that – by providing greater inventory offerings, expedited order processing and extended delivery coverage. This strategic investment is just one example of efforts centered squarely on driving value to the customer, and demonstrates Patterson’s dedication to meeting the needs of healthcare professionals and supporting their success today and in the future.”

About Patterson Companies, Inc.

Patterson Companies is a global provider of complete, progressive solutions to the dental, companion-pet veterinary and rehabilitation supply markets (Patterson Dental, Webster Veterinary and Patterson Medical). Patterson’s state-of-the art specialty distribution platform is capable of shipping products for all three businesses through strategically located regional facilities within the Patterson Logistics Services, Inc. distribution network.
